~200 cm

The Wildlife Observations Of Pelion (WOOP) project aims to observe and record wildlife and alien species in Pelion through citizen science.

In Greece snakes are protected by at least one of the following: CITES Convention, Bern Convention, Presidential Decree no.67, and Council Directive 92/43.

More information about snakes you can find at [herpetofauna.gr](http://herpetofauna.gr)

Poster creator: **Chris Taklis**

**Color explanation:**

**Venomous**

**Non venomous**

**Weak venom**

**Opisthoglyphous**
